

REMARKS

The Examiner is respectfully requested to enter the foregoing amendment prior to examination of the above-identified patent application. Applicant respectfully submits that the foregoing amendment does not add new matter to the present application.

The amendments herein are made to place the application in better form for examination and not to overcome the prior art. Thus, the amendments should be considered to have been made for a purpose unrelated to patentability, and no estoppel should be deemed to attach thereto.

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
Werner FUCHS
